ROBERT EMMET BURKE. Democratic Candidate for United States Senator.

RE-ELECT BRUNDAGE

A strong organization has been formed among ne friends of Attorney-General Edw. rd J. Brundage, to work for his nor mation and re-election as Mr. Brune .ge is forced to spend most of his time in Cook county, having been chosen chairman of the harmony republican county campaign committee. Indorsements of downstate newspapers are being reproduced and sent into the differnt counties, particularly the following indorsement from the Salem Republican of Aug. 5:

"The candidacy of Edward J. Brundage for renomination as attorneygeneral on the republican ticket at the ensuing primary election will have a large measure of appeal to the right thinking voters of that party. Brundage unquestionably will be a source of strength to the republican ticket at the general election through his personality and record.

"The office of attorney-general is one of great honor and influence and presents to the incumbent varied opportunities. It should be said to the credit of Mr. Brundage that he has made the most of his opportunities and that under him the attorney-generalship has not shrunk, but has expanded into a powerful agency for the public good. His record as attorney-general is one of achievement and shows

efficiency on a large scale. "Attorney-General Brundage defended successfully the 2 cent pasenger fare law against the combined attack of practically all the railroad companies of this state. If the contentions made by the railroad companies in for judicial honors

painstaking care,

that litigation had prevailed in the Supreme court of the United States the state of Illinois would have lost all real control over intrastate rates. As a result of that litigation the railroad companies were forced to refund to passengers amounts aggregating several millions of dollars collected in excess of the statutory fares. The rates that are being charged now are in accordance with the federal regulations induced by the war.

"His success in the prosecution of the East St. Louis riot cases is well known. It earned for him the gratitude of all the law abiding citizens.

"As a result of these prosecutions by the attorney-general's office nineteen men were sent to the penitentiary.

"The majority of the voters take their citizenship seriously and want and need the facts about issues and candidates, but what they need is facts and not partisan exaggerations. The one outstanding fact of the administration of Edward J. Brundage has been his steadfast and fearless devotion to duty in handling the affairs of his office, he has shown neither fear nor favor. Capable, determined and courageous, he has followed the strict line of duty and deserves renomination and
